

MARCH**6th***10 per cent Day***MARCH****6th***10 per cent Day***WAR****DECLARED!****BY ONTARIO MERCHANTS**

On \$400,000 worth of Merchandise, consisting of every stock in the city. On SATURDAY, MARCH 6th, the prices will be battered down. On this day every Merchant, Mechanic or Professional Man will sell any or every article in the city; do any kind or class of work at the substantial reduction of 10 per cent. This means the big saving of \$5000 to the people who will come to Ontario on this day.

From a paper of pins to a lady's tailored suit; from a box of tacks to a kitchen range, or the largest farm implement; from a box of matches to a ton of flour; from one board to a load of coal or a house bill; from a wienerwurst to a quarter of beef; from a dollar watch to a diamond ring; from a box of pills to the largest bottle in town; from a kitchen chair to a parlor set; from a dog collar to a set of harness; from a gallon of gasoline to an automobile, or any job in professional or mechanical line.
